*Our programs are backed by extensive research and highly trained instructors who have mastered our test-taking techniques.*

## Which Prep Program Is Best for You?

### Structured Programs

Picture this: you, five other highly motivated students, and a GRE master working together to conquer the GRE. If a group environment appeals to you and is an effective form of instruction for your learning style, then choose one of our structured GRE programs.

Program	Description	Features
Classroom Course	A set curriculum on a scheduled timeline	8 classes (one 3-hour session each week) Average of 6 students per instructor
LiveOnline Course	Interactive, self-paced online lessons plus 8 real-time sessions led by an instructor	The flexibility of an online course with the benefits of a live teacher
Online Course	Interactive, self-paced online lessons	Great if you're disciplined and work best on your own

### Customized Programs

These programs are all about you: when you want to meet, where you want to meet, and what you need to master. Using the score on your first practice GRE, we'll design a program that builds on your strengths and eradicates your weaknesses.

Program	Student : Teacher Ratio	Features
Private Tutoring: <i>Exclusive program tailored around you</i>	1-on-1 prep	Curriculum and schedule tailored to your needs
Small Group Tutoring: <i>You and two peers matched with a private tutor</i>	3 students and 1 tutor	The structure of a classroom course combined with the personal attention of a tutor
Online Tutoring: <i>One-on-one online prep</i>	1-on-1 prep	Online sessions conducted with your own private tutor
